The next meeting for the Agriculture/Wildlife/Feral Hogs workgroup has been scheduled. At this meeting, we will be asking for your feedback on where the model predicts could be the relative potential bacteria contributions from different sources. Your input is very important!

Agriculture/Wildlife/Feral Hogs Workgroup Meeting

Tuesday, September 30, 2014

5:30 p.m. - 7:30 p.m.

Location: Wellness Center at Bayside, 2202 S. Main, Anahuac

The Double Bayou Watershed Partnership is supported by:
